**COMPLIANCE FORM
Technical Specifications
Supply, Delivery, Installation, Configuration, Migration, Testing and
Commissioning of Network Switches**

1. Overview

The Credit Information Corporation (CIC) is a Government-Owned and Controlled Corporation (GOCC) created in 2008 by virtue of Republic Act No. 9510 otherwise known as the Credit Information System Act (CISA). The CIC is mandated to establish a comprehensive and centralized credit information system for the collection and dissemination of fair and accurate information relevant to, or arising from credit and credit-related activities of all entities participating in the financial system, such as but not limited to retail, trade, utilities, and other service and product providers that may yield data on creditworthiness and payment behavior.

The project stated in Section 6 shall be procured to replace the existing network switches. The old network switches is already end of life and now begin to show signs of wear and tear.

2. Purpose

The CIC aims to replace the existing network switches in order to have a better and more efficient hardware with less chance of failure.

3. Scope

The project shall cover the supply, delivery, installation, configuration, migration, testing, and commissioning of network switches with less to zero interruption to Credit Information System operation.

4. Definition of Terms

Term	Definition
Network Equipment	are electronic devices which are required for communication and interaction between devices on a computer network. Specifically, they mediate data transmission in a computer network
Network Switches	is a networking hardware that connects devices on a computer network by using packet switching to receive and forward data to the destination device
Wear and Tear	is damage that naturally and inevitably occurs as a result of normal wear or aging. It is used in a legal context for such areas as warranty contracts from manufacturers, which usually stipulate that damage from wear and tear will not be covered.

Service Level Agreement (SLA)	A commitment between a service provider and a client. Particular aspects of the service – quality, availability, responsibilities – are agreed between the service provider and the service user.
	<i>--Definitions are retrieved from https://en.wikipedia.org.</i>

5. Duties and Responsibilities of the CIC

CIC's responsibilities with respect to this project are as follows:

1. Monitor the provided services and verify if the parameters under the Service Level Agreement are met and performed by the SP.
2. Issuance of a Certificate of Inspection and Acceptance to the SP upon successful completion of the testing certifying that the SP conforms to all requirements stipulated in this document.
3. Pursuant to General Procurement Policy Board (GPPB) Resolution No. 019-2006 dated 06 December 2006, at the end of each year, the CIC will conduct an assessment of the quality of service provided particularly the cost charged by the SP and the range of services it offers against other service providers in the area.
